

MIZAN

Mizan is an independent professional organization started by a group of legal practitioners motivated by the desire to contribute to the emergence of the city of Casablanca as a leading international arbitration place at regional and continental levels.

Located in the center of Casablanca, Mizan offers a professional space including a complete ecosystem of high technology for the practice of Alternative Dispute Resolution (A.D.R) especially arbitration.

MIZAN ACTIVITIES

Mizan's activities are organized into three core areas.

1. Incubator of innovative projects

Mizan is involved as projects' incubator in the arbitration field. As of this day, Mizan initiated two major projects, namely:

- the management of a digital platform for accelerated arbitration; and

- the development of a digital platform for arbitration based on artificial intelligence.

Ultimately, Mizan plans to become a pioneer in supporting projects in the field of arbitration.

2. Services to arbitration professionals

Mizan offers specialized services of international level for the practice of arbitration, including:

- Hearing room, visiting offices and a modern business lounge equipped with high-level technology;
- A documentation center with access to international online databases; and
- An access to Mizan's professional partners such as interpreters and Court reporters, selected according to strict international criteria.

3. Doctrine and training

Mizan also aims to contribute to the emergence of a Moroccan arbitral doctrine according to international standards with the publication of a trilingual legal review specialized in arbitration and mediation.

Mizan also intends to contribute to the publication of books project structuring in the field of A.D.R.

Mizan's also aims to ensure through training sessions and seminars directed by Moroccan and foreign experts, a good understanding and mastery of A.D.R mechanisms for companies, legal practitioners, and lawyers who wish to specialize in these subjects.

MIZAN VALUES

Multiculturalism: Mizan works in close collaboration with an international panel of arbitration specialists with proven expertise and open to different cultures, languages and recognized legal systems. Mizan conducts its activities in three languages (Arabic, French, and English).

Innovation: Mizan implements innovative technological tools with a totally secure, smooth and efficient system that allows for the optimal conduct of digital arbitration proceedings.

Ethics: Mizan conducts its activities in strict compliance with the various principles and ethical rules applicable.
